

Enervent (35-600kW)

Hot air generator for gas/liquid fuels

ADVANTAGES:

- ✓ Body made of INOX steel;
- ✓ Big heated surface;
- ✓ Maximum energy efficiency;
- ✓ Silent operation;
- ✓ Ecological combustion;
- ✓ Complete solution for heating.

Price includes:

- Hot air generator from INOX steel;
- Furnace from INOX steel;
- Hot air fan;
- Covers;
- Electric control panel.
